

May the FORCES BE With YOU!

Revisiting some of our training about the four forces of flight, and then "up the ante" big time! This seminar is for the serious pilot, but everyone will enjoy it! Part two of the seminar will focus upon the left turning forces that we as pilots face every day.

This seminar is brand new from Ron Berinstein, and tonight will be its public debut.

Directions: VNY FLYAWAY--Woodley Ave. & Saticoy St. (East side of VNY Airport)--Community Mtg Rm. 2nd Flr. (Zip Code for GPS is 91406-1719) "Free parking in 30 min. lot for attendees"

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
